Picture 5: Screen-Shot Download is done!

The screenshot shows the NOPAR website interface. At the top, there is a navigation menu with links for Homepage, Products, Applications, Services, Enterprise, and Contact. A sidebar on the left contains links for Spec sheets, Printer profiles, Terms of trade, and Call-back, along with language selection icons for German and English. The main content area is titled "Printer profiles" and features a sub-header: "ICC-Printer-Profiles for FibaPrint Photo- and Fine-Art-Media and JetFolio-Products". Below this, there is a descriptive paragraph about the ICC profiles, a color calibration chart, and a link "Start > Epson > EPSON Stylus Pro 9600". A table-like structure shows a list of records with columns for "Category", "Sub-Categories", and "Records". The records list various printer models and paper types with their respective weights (e.g., 315gsm, 390gsm, 260gsm). A mouse cursor is visible over the word "Standard" in the middle of the page.
