Matt 340g/qm*

The Range of Photo and FineArt Media from Innova does continue it's triumphant success. Convincing Quality followed by incremental demand.

Between the german Ringfoto Group und NOPAR International has been signed a cooperation contract to register NOPAR international as a premium supplier for the photo and fineart Products of Innova, as well as the standards, produced by NOPAR.

With immediate effect, all Ringfoto members can supply through the new NOPAR Shop Portal all Products. A proper registration to receive the log in data is needed.

In total there are 6 Productgroups. 4 of them are already online, which are the key segments for the market needs as follows:

1. Fine Art Range
2. Photo Range
3. Fiba Print Range
4. Canvas Range

The range of OPUS Albums and Book-Art Papers will be shown soon as well. All needed informations are visible on our website, at www.nopar-international.com. The pricing is shown in our shop at www.nopar-shop.de. Ringfoto Members have to be registered.

P.s.: If you are not registered, please send us a mail, and you will get your log in File.
