

Cesare Bossi

Cesare Bossi is the president of the ACSAF Association and cooperated since 1992 with Comune di Fiesole to organize exhibitions dedicated to fine art photography.

He cooperated with other Associations, as Aophoto-London, and gives lectures in Italy and other places, such as Arles, Barcelona, Copenhagen and Beijing. ACSAF is the reference point of Canon Italy for the fine art digital BW printing.

Since 1996 Cesare became the chief executive of the ECCO Co, created to distribute products as Berger BW papers, Cones Piezography inks and Innova Digital Fine Art papers.
