

Steve Morenos

Steve Morenos completed his Fine Arts Degree in Adelaide South Australia-afterwards obtaining Photography grants from the Australia Council for the Arts and spent a year as Artist in Residence with the FMWU. Whilst working in Australia and overseas for News Ltd, as photographer for Newspapers and Magazines, Steve quickly built up a reputation for his energetic and creative images.

Steve's work has won National and International awards and have been published- Nationally and Internationally.

Whilst Steve has found solace from his Music, he draws inspiration from Eugene Smith, Sebastio Salgado, Man Ray, Elliot Er Witt, and Annie Leibovitz just to name a few.
